

# The TowelTender™

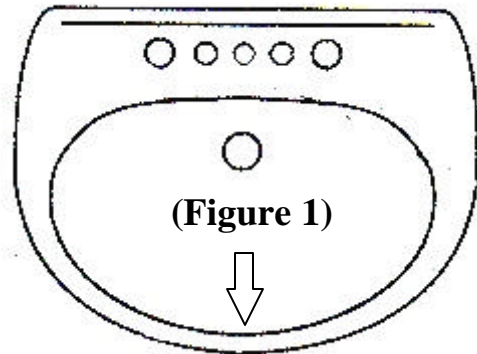

## Sink Compatibility Guide

The TowelTender™ model H4 is designed to work primarily with Rounded or Oval type Pedestal Sinks of this basic type:

---

Top View

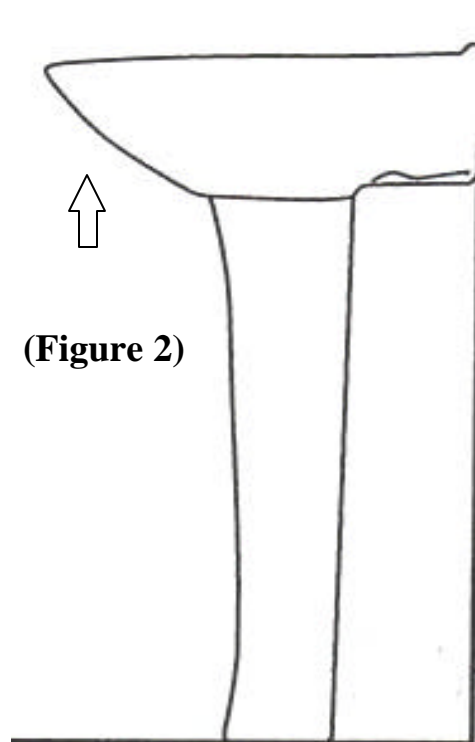

**(Figure 1)**  
Maximum front “lip”  
Thickness of 1.75 Inches

---

Profile View

**(Figure 2)**  
Rounded - Inward sloped sink bowl.

---

The TowelTender™ works with the majority of rounded style pedestal sinks.

This includes many models made by companies including:  
American Standard®, Crane®, Eljer®, Kohler®, Sterling®, Mansfield®  
Elkay®, Moen®, Barklay® and many more.

**The Model H4 does not work with squared type pedestal sinks.**
